

Addresses needed for these alumni

The following names are Akron and Akron-Westfield alumni for whom the All-Class Reunion committee needs current addresses.

The city mailed letters to alumni, announcing the town's 125th Anniversary celebration, in the summer of 2007. These are some – but not all – of the people whose letters were returned due to outdated or incorrect addresses.

If you know the current mailing address for any of these people, please contact Marcene Heeren at (605) 565-3134 or by e-mail at writeimp@hotmail.com. The reunion committee also would like to be notified if alumni are deceased.

The correct addresses will be added to a list for class chairpersons to use to mail reunion invitations. There are no plans to publish the addresses for everyone to see, but anyone who wants to make certain their mailing address is not made public should be certain to include that information as a precaution.
